

ALGEMESÍ (la Ribera Alta)
Museu Valencià de la Festa (Valencian Fiesta Museum)

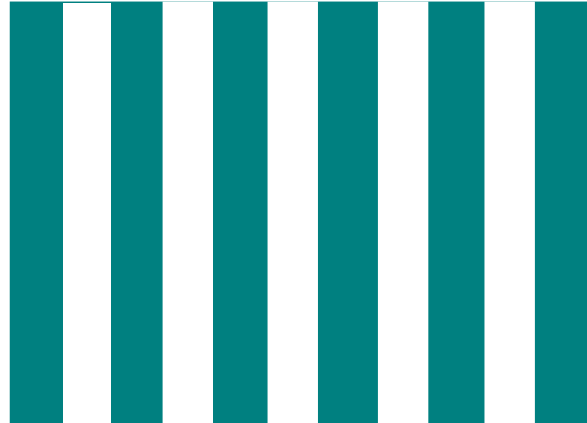

Participating institutions: Town Council of Algemesi
Museu Valencià d'Etnologia (Valencian Museum of Ethnology)

Since their foundation, the Museu Valencià de la Festa and the Museu Valencià d'Etnologia have signed a collaboration agreement that includes the following fields of action: exchange and transfer of pieces, co-production of temporary exhibitions and promotion of research into traditional festivities. Both museums are currently collaborating in the execution of the second part of the permanent exhibition, which will deal with the Valencian festive world as a whole (the first phase –already open to the public-, focuses on the celebration of the Mare de Déu de la Salut (Blessed Virgin of Health). The Museu Valencià de la Festa is well on the way to becoming a benchmark museum on the theme of traditional Valencian festivals.
