

CULTURAL COMMUNITY OF LA MARINA ALTA (MACMA). Ethnographic documentation

Participating institutions: Cultural Community of La Marina Alta
Museu Valencià d'Etnologia (Valencian Museum of Ethnology)

The Museu Valencià d'Etnologia, in the course of its research work and documentation of the traditional culture of Valencia, has commenced an audiovisual documentation programme of a series of activities that are deeply rooted in the culture of the Marina Alta region but that are currently only carried out in very few places and sporadically.

The following audiovisual recordings have been prepared to date:

- Oil preparation (Ondara). DVD published
 - Wine preparation (Xaló). Under production
- Raisin preparation (Gata de Gorgos). Under production
