

PATERNA (Western “Huerta”) Molí del Testar (Testar Mill)

Participating institutions: Town Council of Paterna
Museu Valencià d’Etnologia (Valencian Museum of Ethnology)

The Town Council of Paterna has a project that involves recuperating and regenerating an area of the municipality where five mills used to operate. The Museu Valencià d’Etnologia is in charge of drafting the musealisation project of the Molí del Testar, which still preserves the grinding machinery.
